**Dear Club,**

I was out clubbing last month with my gal pals when we were lucky enough to be invited to join a group of celebs. I am not much up on my football, but my mates are, and they told me that some of the blokes were well-known footballers. Naturally, I was thrilled!

I went full out to make sure I got plenty of attention, and when they showed interest I was willing to allow their hands to wander wherever they wished. I saw two of the lads looking me over and gave them my friendliest smile.

They winked at one another and we sat together. One asked if I needed a lift home and I asked if he meant his home or mine. The two laughed at my reply, and, shrugging, said they were sharing a hotel suite.

Laughing, I responded that I was good at sharing too, and they looked at one another. Grinning, they invited me to spend the night. By then the rest of the party were leaving, and I did not bother with my friends as they seemed to be already hooked up.

It was wicked being picked up from the club by a limo and on the way to their hotel the lads played with me like a toy doll. Their hands were everywhere, and by the time we got to their hotel I was steaming hot.

The suite was opulent, and while I had stayed in a five-star hotel before I'd never been anywhere as plush as this. The lads had everything laid on and were swigging champagne from the bottles like it was beer. I joined in, getting off on the thrill of the

situation. In less than 20 minutes I was half naked, kneeling on the deep pile carpet as I jerked both their boners. I had seen this kind of scene before on porn DVDs but had never imagined myself in such a position. The fact is, I knew they expected it of me and I was delighted to oblige.

It really turned me on, and I began to suck on one big cock as I wanked the other. Both my lads were well hung and horny as hell, so it didn't take long before they tired of the tease and were ready to get down to business. Then one of them picked me up and laid me on the bed, spreading my legs and eating my saturated pussy, while the other one moved over my head, and, feeding his cock into my mouth, started face-fucking me in earnest.

I had never been with two fellas at the one time and it certainly was hard work. However, I had also never felt as hot as I did at that moment and I felt myself nearing an explosive climax as I gobbled on a big fat cock. I came hard, giving the guy who was licking me a mouth full of pussy juice, but just as I thought his partner was ready to squirt down my throat, he pulled out and

**“I came hard, giving the guy who was licking me a mouth full of pussy juice.”**

suggested to his friend that they "swap ends" and that he fuck me while I sucked his mate.

By now my pussy was aching for a big fat cock, and these guys seemed to be well used to working as a team. They knew exactly how to get my juices flowing, and for a while they caressed, pinched and prodded my nipples and pussy until I was begging them to get on with fucking me.

They positioned me on my hands and knees across the centre of the bed, and gently one of the guys pulled my hair back from my face so he could watch me sucking him. I licked my lips flicked my tongue over the top of his swollen cockhead. It was deep red and already seeping the clear fluid of

**“My back dipped as I felt my pussy being stretched by a big fat cock...”**

his pre-come. It tasted good and I lapped around his helmet, making him groan loudly.

I felt their cocks push inside my mouth and cunt almost at the same time. My back dipped as I felt my pussy being stretched by a big fat cock, and as he began to saw it back and forth inside me I began

sucking hard on the other fella's shaft. It was difficult to concentrate on giving pleasure while being so thoroughly fucked in doggie, but somehow I managed.

I made eye contact with the one in front, enjoying the look of deep satisfaction on his face as he began to shunt his cock harder. They worked at the same rhythm, shafting me in unison from both ends, and as my pleasure built I could see that the guy fucking my mouth was having a hard time stopping himself from emptying his balls. I

loved the realisation that I was exciting him like that.

Harder and faster they went at me, until my breath was coming in gasps. My pussy was clenching around the thick shaft which was giving me so much pleasure as I tried to take the hard thrusts of the other cock in my mouth. Then to my delight they both spattered their loads inside me just as I began to orgasm. My pussy pulsed as it went into spasm, and my whole body jerked, overwhelmed with ripples of pleasure which pulsed from my pussy right up to my mouth.

With spunk dripping from my pussy and my mouth, I rolled over onto my back to catch my breath as the lads, well satisfied, poured me more champagne and fed me chocolate truffles!

I had a night to remember and while the boys never called me afterwards (I hadn't really expected them to), I had such a great time that I would never reveal their names.

In the depths of winter, one can't really help but feel a tinge of envy towards Anya Olsen, as she frolicks in the California sunshine, completely unaware of the perils of a British January. The 21-year-old when not out basking in the sun is often busy filming and has a string of titles to her name, one that caught our eye recently was 'Soft Touch 3', an indulgent lesbian experience, that sits as a fine and sensual example of girl-on-girl. Keep up the good work Anya; we're quite the fans already! ♦

**Moto Z Play**[www.motorola.com](http://www.motorola.com)

A phone that doesn't aspire to be all singing and dancing but quietly goes about its business in an efficient and surprisingly weighty fashion is what defines the Moto Z Play. First things first this phone has incredible battery life, provided by a 3510mAh battery, but that's by no means all. It also boasts a 16MP camera, AMOLED screen at 1080p, 3GB of RAM, Snapdragon 625 chipset and 32GB of memory. The software is largely untouched from previous models using 6.0.1 Marshmallow, which does its job for a mid-range phone. There are however some drawbacks for gamers, who will become frustrated with the lack of horsepower. A tidy bit of kit for the price.

**Blue Raspberry****USB Microphone**[www.bluemic.com](http://www.bluemic.com)

Blue Raspberry may sound like a revolting type of schnapps or something bewildering served up by Heston Blumenthal, but it is, in fact, a compact USB microphone, brought to you by Blue Microphones, the top producer of professional audio recording equipment. And with a 24-bit studio-quality sound and dynamic condenser capsule on board they run in parallel. The Raspberry comes with USB and Lightning cables, stand and carry case. It's a great all-rounder and perfect for anybody looking to do podcasts or YouTube vids. The tiny rubber feet also cut down on surface vibration, to lend clearer recording quality, and the status light also helps to let you know what mode you're in. It's also incredibly stylish with a retro look and can handily (using the provided adapter), be attached to a normal mic stand. Worth more than just a look.

**PRYNT**[www.prynt.co](http://www.prynt.co)

Generation X is all about the cloud, but what about the rest of us who are still attached to physical objects, such as photographs, and do odd things with them such as tacking them to walls or placing them in albums? Well, don't fret PRYNT is here and able to turn your smartphone into an instant photo printing facility. PRYNT uses ZINK technology to create its fast, smudge and tear free prints, and what's more, it's easy to use for doddies like me. It works by simply strapping your smartphone into its casing, taking a picture and creating a short video. Then you can print your picture and share with your friends via an app; that unlocks the video for an added dimension.

# THE PAUL RAYMOND AWARDS

## 2016 WINNERS

When the champagne corks pop, the fun don't stop! Though we couldn't quite remember exactly, what that fun was the next morning. Dancing nuns? Luckily there were more than enough of us there to stitch together a sketchy picture of the 2016 Paul Raymond Awards.

**B**ack for another dose of raunchy rabble rousing, British Comedian Dapper Laughs and his 2016 co-host Jasmine Jae, fanned the flames of the crowded Café De Paris, with innuendo and playful skulduggery. There were even some awards given out, once Dapper had managed to put Jasmine down, including Miss Jae scooping Female Performer of the Year...again! But who were the other lucky ladies of the night that have been turning your balls into steamed buns for the last 12 months?

The polls were tough going, with Cara Brett reigning victorious

in the Mayfair Girl of the Year category, Amber Jayne taking the Men Only crown, and Stella Cox tottering off with Paul Raymond Girl of the Year for the second time in a row, the saucy mare!

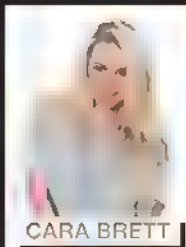

As you can imagine after all the nominees had been announced there was nothing left to do but dance, as DJ Luek and MC Neat, GIGGS and DJ Ironik got us tipsily busting moves that would shock our grandparents. Though, VIP-guests Tinchy Stryder, Big Narstie and Lethal Bizzle, kept their cool and their dignity, which is more than can be said for us.

If name and nature mean anything, then this is a true meeting of the two, as Rahyndee shows us exactly what she's made of. Which seems to equate to smoking hot fun, as the blue chair pictured gets the treat of its life. # SCRUFF JUSTICE!

Please be upstanding!

## Sex Machina Digital Playground

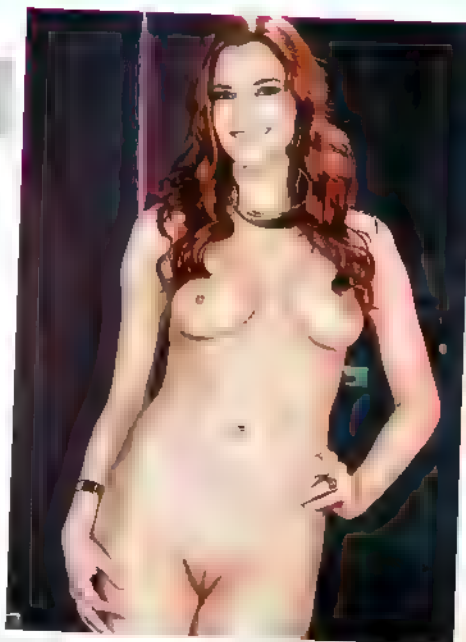

**Starring:** Aria Alexander, Eva Lovia, Jayden Cole, Kat Dior, Mia Lelani, Alec Knight, Ryan Ryder and Tommy Gunn.

**Synopsis:** "When a young hacker

wins the trip of a lifetime to a secret facility owned by one of the world's tech geniuses, he learns important lessons about his own humanity."

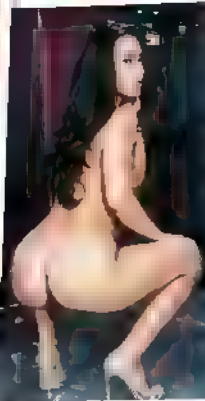

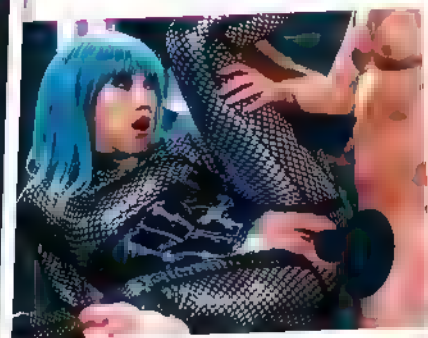

Courtesy of Digital Playground

**Verdict:** Well Westworld eat your heart out as fantasies are fulfilled by one computing wizard, who now has all the girls he could wish for, built entirely to his specifications. The adventure begins with Caleb (Ryan Ryder) winning an all expenses paid trip to a top research facility to experience the future of sex, or rather artificial intelligence create

for the sexual gratification of others. As Caleb wanders through the desert clueless about what to expect, the facility is already waiting to blow his mind.

With five fantastic scenes, it's hard to choose which one tops the bill. With Eva Lovia and Jayden Cole's girl on girl a

delightful wet watch, and Aria Alexander and Alec Knight going at it hammer and tong and ending in creamy facial. But as this sinister tale unfolds the on-screen action heats up, with a three-way between Kat Dior, Tommy Gunn and Ryder in scene four. Dior puts on the performance of a life time with DP, anal and deep

throating to name a few, before wrapping up with a splash of man juice across her fuck out face. Not one to be missed.

## Mountain Crush Private

**Starring:** Stella Cox, Lady Dee, Clea Gaultier and Julia Roca

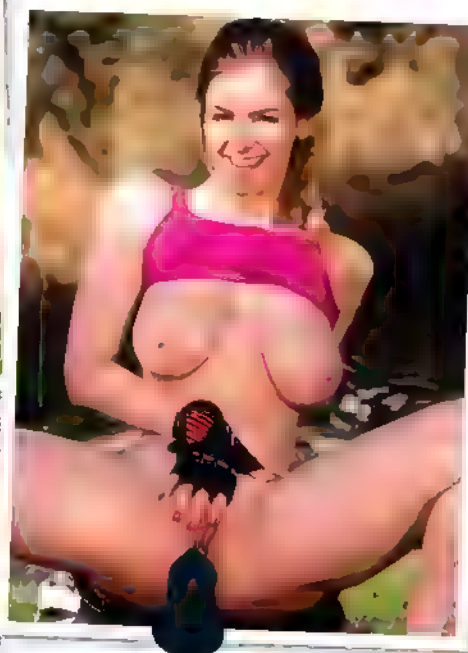

**Synopsis:** "There is nothing quite like a long walk in the mountains, but even the beautiful

landscapes don't have anything on the view of Private's busty babes. Extreme sports gets a whole new meaning when Julia Roca, Clea Gaultier and Stella Cox take to the heights in this hardcore tribute to public fucking! We also bring you the tantalizing teen Lady Dee as she debuts in her first ever scene but this goddess is no amateur, she is a certified cock guzzler. Do not miss the all new Mountain Crush complete with horny hikers, anal adventures and rivers of cum."

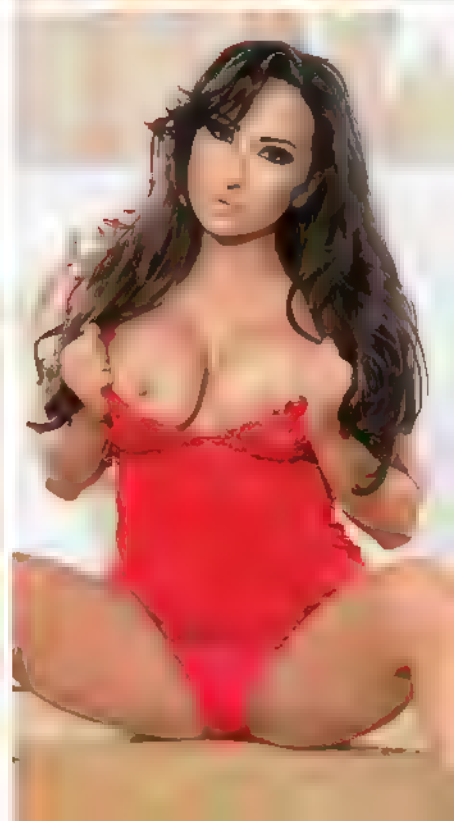

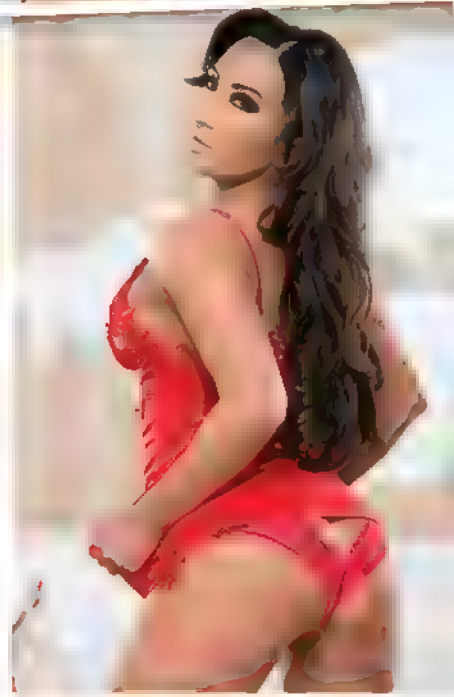

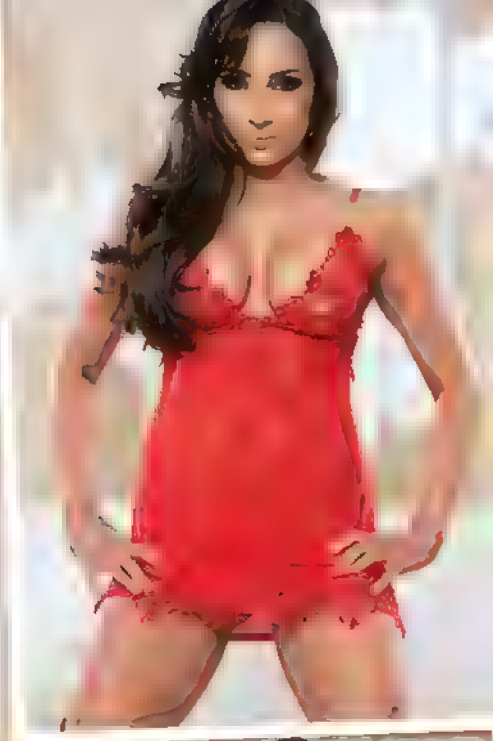

Courtesy of Private

**Verdict:** If you fancy twirling round like a member of the Von Trap family in front of a glorious backdrop, then this adventure into the mountains may blaze a trail, as Mountain Crush gets straight back to nature. Stella Cox rides more than a bike in this movie, as the British beauty gets her bottom nibbled and spread her legs to receive a pounding. An anal first we believe for Miss Cox whose tight sphincter is plugged by her attentive guide who pistons in and out like a man possessed. But Stella isn't the only one on the trail enjoying some

spectacular views, as Lady Dee and Clea Gaultier's hiking expedition creates some rustling in the bushes. Fantastic action and spunk splash scenes, definitely one for nature lovers.

## DOUBLE BUBBLE

A very strange thing happened to me the other night – I shagged my mate's girlfriend. But far from him being pissed off, he was absolutely over the moon, as it was his idea!

I thought things were a little odd from the start, when Steve invited me out down the pub for a few beers, and said that his girlfriend Laura would be coming along too. Well, it is a bit weird, going out for a drink with your pal and his missus. It immediately felt like the three of us were on a date together. And that's exactly what it turned out to be. We were there for two hours, and for some reason I couldn't fathom the whole time Steve wouldn't let me buy a drink – he kept racing me to the bar. And I couldn't help but notice that Laura seemed to be flirting quite heavily with me as well.

After about four pints, when Steve nipped off to the loo, Laura clambered over and sat next to me, rubbing the inside of my thigh and pressing her boobs into my arm. Then she came right out with it, "How do you fancy coming back to ours for some fun?" When Steve appeared two seconds later to see his girlfriend draped all over me, I was sure he was gonna chin me. He's a big bugger too, so I was all ready to throw my hands up in surrender, when he calmly sat down and said to Laura, "So, did you ask him?"

"Yeah," said Laura, her hand swiftly running up the inside of my leg and grabbing hold of my very confused cock, "but he hasn't answered yet."

Evidently, it seemed that Steve and Laura had decided to act out one of their fantasies by having a threesome. Laura had always had a little thing for me, and apparently I was the least likely to cause offence to Steve by fucking his bird in front of him, so they'd picked me. I didn't know what to say – or even to feel a bit offended that I was the least offensive option! However, they'd been pretty canny in getting me just drunk enough to consider doing something like that, and Laura is a seriously good looking girl who I'd often fantasised about fucking anyway. And with her hand slowly massaging my already stiffening cock, it wasn't really much of a decision. I drained my pint and 15 minutes later I was stood in their bedroom in just my pants feeling more than a little sheepish!

I didn't have much time to be nervous, however, as Laura threw off her mini-skirt and T-shirt to reveal a ridiculously small pair of knickers and matching black bra. She climbed up onto the bed, lay back and giggled, "Come and get me boys!"

My cock sprang to attention, and I felt Steve push me in the back, saying, "Get stuck in mate." Well, who was I to refuse?

I crawled over to her, wasting no time in ripping the bra from her, burying my face in her plump, round tits. I groped them roughly with both hands, biting, licking and sucking the hard, swollen nipples as she groaned and writhed in pleasure. All of a sudden her moaning became really loud, and I looked down the bed to see that Steve had peeled off those little panties, and was greedily licking and sucking at her soaking wet pussy.

Laura reached out for me, grabbing my face, and pulled me up to her, kissing me hard and thrusting her tongue deep into my mouth. It was the most intense kiss I've ever had, and she continued to moan and writhe as I pulled and pinched her hard nipples with my fingers. A few seconds later, and she was literally bouncing about on the bed, panting and wailing as she came on her boyfriend's mouth.

It was utterly exhilarating, and I lay back on one side of her, Steve on the other, as her hands found our two dicks and slowly wanked us in unison. Then she suddenly yelped excitedly, "Ooh, sit up boys, I wanna do that thing I've seen on the internet!"

She got us to kneel up facing each other,

which was quite the most uncomfortable experience I've ever had. It's quite difficult to know where to look, when you're kneeling naked in front of your mate, and you've both got boners. I didn't want to catch eyes with him, and I certainly didn't want to find myself staring into the eye of the monster, so to speak. Luckily, Laura broke the tension by again taking hold of our dicks and planting her mouth over each one in turn, diving from one to the other, licking and sucking like a greedy kid with two lollipops. It felt amazing as she swirled her tongue around my bell-end, taking my whole dick into her throat, and sucking the full length of the shaft with her hot, busy lips. But then she kept moving back to him, and it was getting frustrating.

I waited till her mouth was busy with Steve's dick, and pulling away, quickly shuffling round until I was kneeling behind her. I rubbed her pussy a few times, slicking my fingers in her hot, sticky pussy juices, before rubbing them all over my dick and sliding into her in one swift movement. She practically shot off the bed, yelping

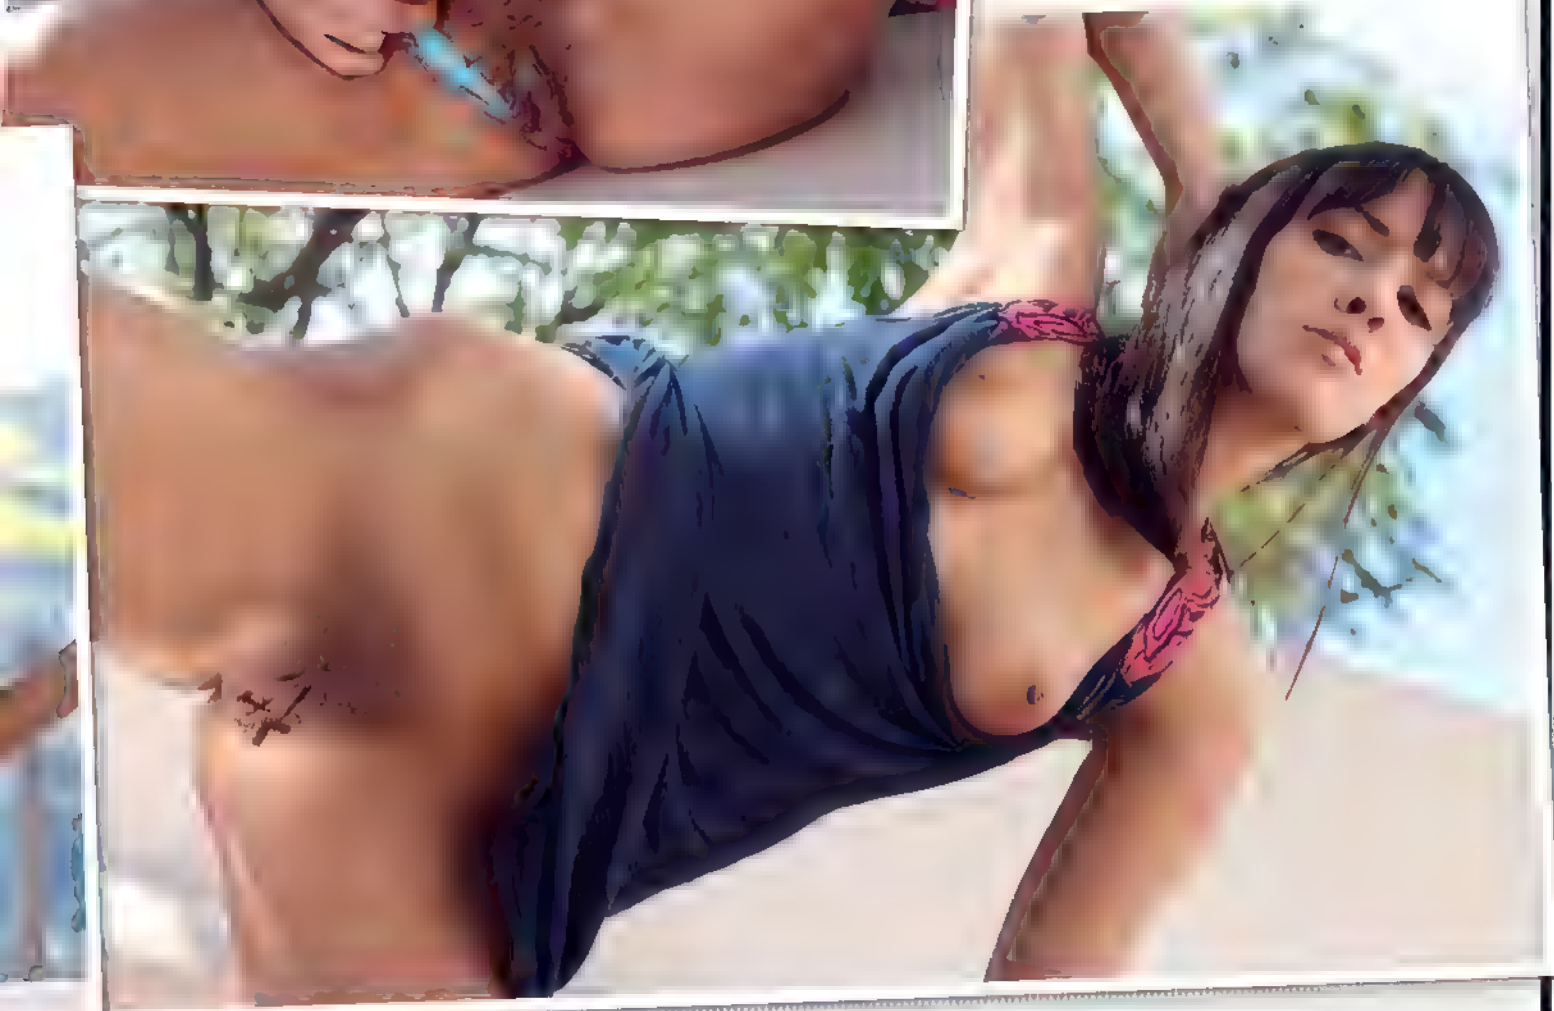

**“ It felt amazing as she swirled her tongue around my bell-end, taking my whole dick into her throat...”**

loudly with pleasure, and I had to grip tight to her hips to stop her toppling us all over in an accident that would be hard to explain to a paramedic. When she calmed down I started thrusting back and forth, sliding in and out of her tight, wet cunt. It felt amazing, and the rudeness of the whole thing, seeing her deep-throating my mate in front of me, seemed to send us all over the edge. I only managed about ten good thrusts before I heard her screaming with another orgasm. I looked up to see Steve's dick exploding in her face, hot, white jets of jizz spattering her nose and cheeks. I pulled out just in time to do the same to her beautiful arse, as I came hard, spunking hard and sending jets of jizz all over her bum and back.

It was quite the weirdest feeling afterwards, laying there panting with the two of them, but

**"I felt a tongue push inside my tight bumhole as a pair of hands gripped my buttocks."**

it was strangely all right. Needless to say, the tension was well and truly broken, and Steve and I spent the next few hours fucking his girlfriend in more combinations than I ever knew were possible. And he even paid for my taxi home — which I thought was jolly decent of him!

### TRI-SEXUALS!

Although I've hit 36 I like to think all those trips to the gym haven't been entirely in vain,

and when I'm all dolled up I can still turn a few heads!

Now I'm definitely a girl who likes cock, but now and again a couple of my girlfriends come over to the house on a Friday night, we have a few bottles of wine, watch some dirty DVDs and fuck. We've been doing it ever since a drunken evening about 8 years ago, and while we've all got fellas now, we've never felt like knocking it on the head.

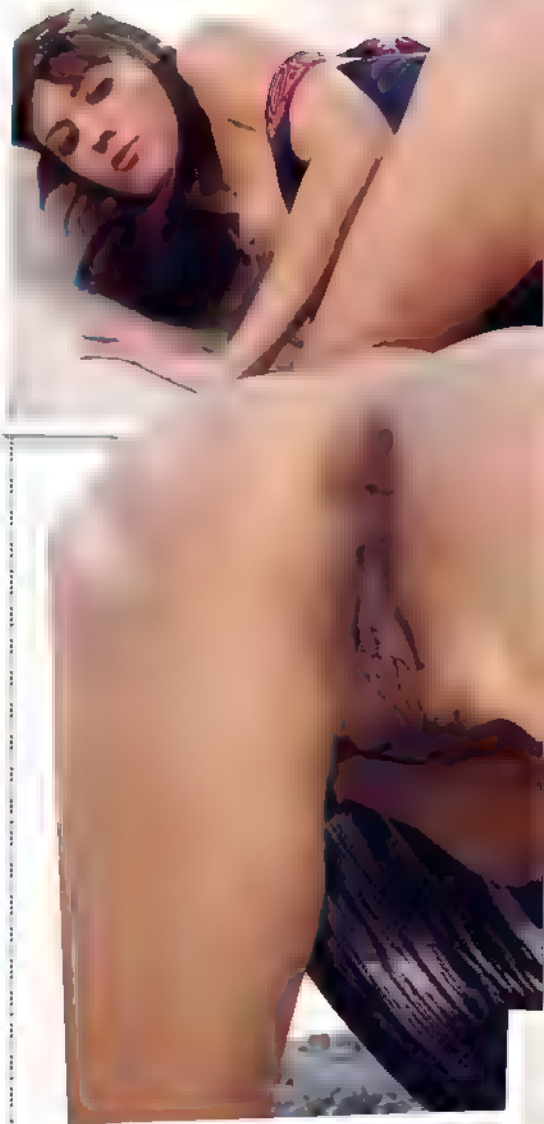

Last week Penny and Kirsten had really made the effort to make the evening special and had dressed up for the occasion. I could hardly take my eyes off Penny's cleavage squashed inside her tight blouse as I took their coats and poured out some vino.

Kirsten had plumped for a very short leather mini-skirt and as we sat in the lounge chatting, I couldn't resist stroking my hand up her black stockings and resting my fingers on the soft white flesh above. We hadn't even got the porn on and I was already gagging for pussy.

Penny loves big dick films (well, we all do, really!) and soon the room filled with the sound of lovely fat pricks squealing in and out of sodden cunts as we snuggled up on the sofa. As I watched a sexy slut stretch her mouth around a giant cock on the screen, Kirsten slipped her hand up between my thighs and began to rub the damp mound of my cunt through my panties. My own hand wriggled inside Penny's knickers and I pushed one finger all the way into her tight, hairless slit. She moaned with pleasure and spread her legs so I could get deeper inside her. I added another finger and started to work them in and out as Penny leant over for a kiss. Our tongues swirled around each other's mouths as she expertly released my firm tits from my bra and tweaked the nipples until they were hard.

Kirsten did the honours and latched her lipstick lips around one bulging teat, nibbling the tip as she continued to poke my twat. One of the guys on screen shot a huge load of spunk over a girl's arse and Kirsten moved down my body until her mouth was pressed against my pussy and her tongue was working my clit. With the dirty action on the telly and my mate's tongue slurping my cunt I knew the inevitable was about to happen and my whole body began to tremble as my first orgasm erupted deep inside me as I filled Kirsten's mouth with my sweet juice.

When I'd got my breath back Penny clambered astride me and half stood so her slit was inches from my face. I parted her cunt lips with my fingers and tickled her swollen clit with the tip of my tongue as Kirsten noisily slurped away at my pussy. Penny ground her hole against my mouth as I sucked her and with the

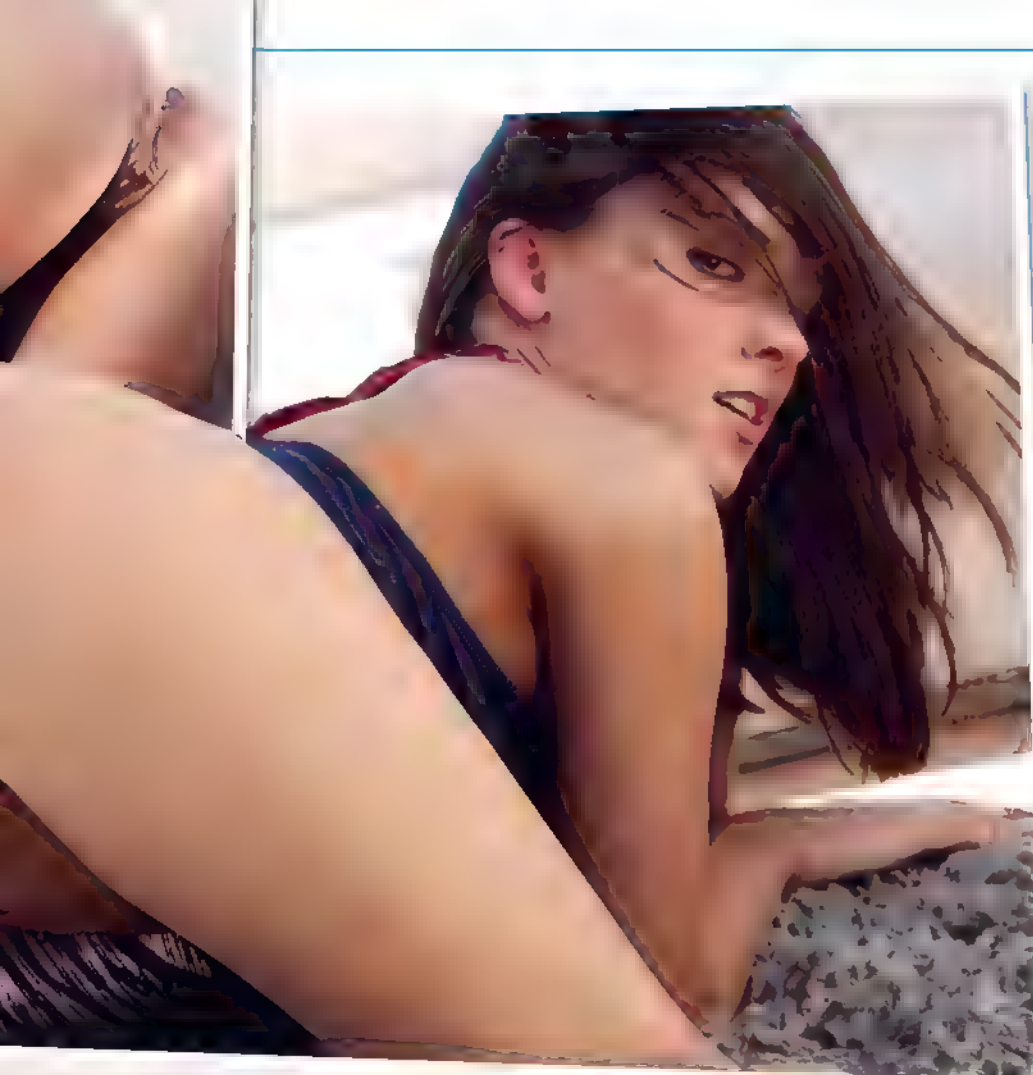

help of Kirsten's finger embedded in her arse, Penny soon shuddered to climax and I guiped down the goo that poured from her gash.

Sliding to the floor in a heap, Penny and I concentrated our attentions on Kirsten, and while I squeezed and sucked her breasts, smearing Penny's come all over them, Penny pumped a couple of fingers in her gaping cunt.

I moved down Kirsten's delicious body and poked my tongue into her slit as Penny continued to finger fuck her. The film was forgotten now as we lost ourselves in a mass of writhing female flesh. Kirsten came all over Penny's thrusting fingers and I licked the mess from her cunt before rolling over onto Penny, snogging her hard while sharing the love cream.

Suddenly, I felt a tongue push inside my tight bumhole as a pair of hands gripped my buttocks. Kirsten probed my back passage as I continued to snog Penny, my fingers slipping into her dripping cunt as we kissed. She came again and I pushed my arse hard into Kirsten's face, relishing the gorgeous feeling of her tongue squirming in my bum. I fingered myself at the same time, working on my twat and Penny's together. A second climax made my muscles spasm and more juice oozed from my hole and down my legs.

Covered in sweat and come we moved into our favourite position on the floor. Each one of us buried our face in the closest cunt, forming a daisy chain on the carpet. Penny sucking my gash, Kirsten sucking hers, while I rammed my tongue as far up Kirsten's drenched fanny as I could. Hands groped trembling tits and arses, fingers probed any holes they could reach and we worked on each other, locked in our filthy embrace. The idea was for us all to come at the same time but we were so turned-on that one orgasm melted into the next and I lost count of the times I came. All I know is my mouth was constantly full of thick sex fluid and my entire face was coated in the stuff.

We continued greedily eating pussy until exhaustion took over and we paused for a while. Resting my head in between Kirsten's wide open thighs, I inhaled the musky scent of her twat while Penny gently licked the goo from my bum crack.

The evening certainly wasn't over though as us three getting clean in the shower together was guaranteed to lead to a whole lot more fun!

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

Dear Club,

I had taken a day off in April on what turned out to be one of the hottest days of the year so far and I decided to do some work in the garden. It did get very warm, and by mid afternoon I thought I would stop, grab a beer and enjoy the sunshine. I was a bit grubby so after clearing up I went in for a quick shower.

I was just about to go upstairs when the doorbell rang. I thought about ignoring it but was glad I didn't as standing on the step was a very pretty young girl. There was an awkward pause before she spoke.

"Sorry," she stammered at last, "you're the first person to answer the door today and not shut it again. I am campaigning on behalf of the..."

I interrupted and named her party. "Yes that's right," she said before realising I was nodding at her T-shirt which had the party name emblazoned right across her tits. It was, in fact, her tits that had first caught my eye. She was a busty girl and the T-shirt was tight fitting and it was very obvious she was not wearing a bra.

She giggled, then said, "Sorry, I'm a bit nervous, it's my first time campaigning. I'm making a bit of a mess of this, aren't I?"

I told her not to worry and that I suspected it hadn't helped that I was just in a pair of shorts.

"Well it did throw me," she said.

I don't normally have much time for doorstep campaigners, mainly as I have been a life long supporter of the same party, but I was keen for her to hang around. She was very cute, long dark hair with a slight curl, very pretty with very natural looks and little sign of make up. As I said, I'd already had a good look at her sizable tits and she was wearing denim shorts and had shapely legs.

"You can practise on me if you want, but you will have to give me five minutes to have a shower first." Her face lit up.

"Shall I come back?" she asked.

"No, why don't you make the most of the garden and you can then convince me over a beer?"

She didn't answer but instead took me by surprise and took a step in, bumping into me as I held the door. I moved out of the way and showed her in, noticing a very nice rounded arse as she walked ahead of me. By the time we reached the garden, via the kitchen, where I got her a beer, I had learnt her name was Chloe, she was 19 and a student.

"You have a lovely garden," she commented.

"Yes I spend lots of time out here and its completely secluded, so make yourself at home. Right quick shower, then I am all yours!" I said, probably a bit too hopefully as my eyes wandered over her body again.

I did have a very quick shower and wrapped a towel round me before going to one of the back bedrooms that overlooked the garden. I was shocked by what I saw but very happy as Chloe had obviously accepted the invite to make herself at home. She had pulled another chair round and was stretched out with her feet up and she was now topless, her T-shirt hanging off the back of the chair. It was difficult to see her tits clearly from up there, though, so I quickly headed downstairs.

I decided to go down as I was. I stopped in the kitchen and got two more beers and walked out into the garden. I walked up behind her, my cock stiffening under the towel as I got closer. Her eyes were closed.

"Another beer?" I said, making her jump.

"Oh shit, sorry I thought you would be longer!" she stammered.

"Stop apologizing!" I replied quickly hoping to put her at ease, making no attempt to

cover the rock hard erection I had under the towel.

She had a great pair of tits, at least a C if not a D cup, with great big brown areolae and nipples that stuck out invitingly.

Deciding to take things nice and slowly, I handed her a beer and sat on another chair beside her. I knew she'd have spotted the bulge in my towel, and sure enough, it wasn't long before I caught her sneakily glancing across at it. Eventually the sexual tension became unbearable, and I reached out a hand, gently resting it on her thigh. She gave a little jump but then relaxed as I slowly slid my hand up her body until I reached her fulsome left tit, which I began to gently squeeze and caress.

Chloe let out a quiet moan and I felt my cock stiffen further. I could stand it no longer... Standing up, I walked towards her, lifted her to her feet and we kissed, pushing our bodies together, the stiffness of my erection pressed against her while my hands reached under her short skirt and caressed her naked arse. I kissed her neck, making her moan and I was eager to get my mouth on those lovely tits. I kissed her nipple and could feel her shake as I sucked her nipple into my mouth, making sure my teeth gently nibbled her, whilst my hand groped her full bum cheeks.

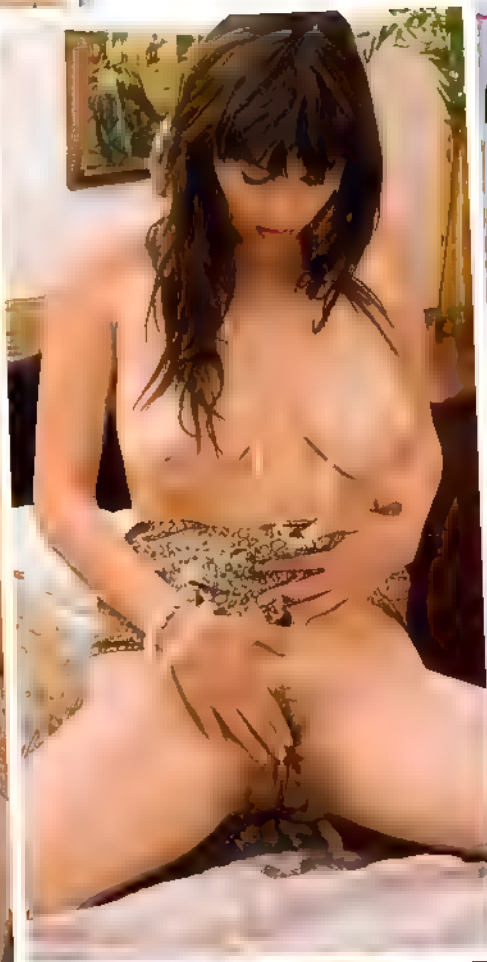

Her tits were wonderful, and I soon discovered she liked having her tits gently bitten as I bit and sucked on her tit just above her nipple.

"Harder!" she moaned, and I did, and after a good while of sucking and biting, there were several marks on her tits.

I broke contact and Chloe looked at herself, "Oh God look at the marks, that's so horny, I thought I was going to come just by your biting me."

I took that as a hint and reached down with my finger and found her clit, which was hard and very prominent. I sucked a tit back into my mouth and slowly wanked her clit. Her orgasm didn't take long and she was soon moaning and shaking as she came.

We kissed again as she recovered, and for the first time she touched my dick.

**“I sucked a tit back into my mouth and slowly wanked her clit...”**

“You’re so stiff!” she said as she wrapped her hand around my cock. I could have easily fucked her then but I was also very aware that I don’t get many chances to enjoy a 19 year old honey in my garden.

“And I hope you enjoy it,” I replied, “but first I have to taste you.”

I led her to one of the chairs, where she sat and opened her legs wide. I smiled as I knelt before her. She had a lovely pussy and I could see her juices glistening on her lips. I took one long lick along her lips, making her shudder again before enjoying her pussy lapping and probing between her lips. I took my time, loving her taste, my face soaked with her wetness. She was writhing in the chair now and I began to focus on her clit. I licked her slowly and I could, hearing her gasping as I

**I lay back and watched in wonder as she licked the shaft of my dick."**

did so. As I licked her clit I pushed a finger between her lips, and I could feel her pushing herself against forward my mouth.

She lifted her legs and wrapped them over my shoulders, giving me even better access to her soaking cunt and she pulled me in. I licked and fingered her more powerfully now and I could hear and feel her enjoying the licking until she shook violently again, pushing me away.

I looked up at her. "That was amazing! I orgasmed so hard I had to stop you."

I hadn't realized, and was a bit worried she may be a bit too sensitive now to fuck.

However, my concerns were quickly dispelled. She slipped off the chair and as I sat back on the grass, she positioned herself over my cock and began to guide me in. She wrapped her arms around me and was gasping as I pushed my dick into her very wet but still very tight cunt. I started to fuck her slowly, but Chloe pulled back and looked at me; "Fuck my arse off!" she ordered.

It was going to be hard to hold out anyway

and I didn't need any further encouragement as I held her by her bum cheeks, lifting off the ground with each hard pump. It was lucky there are no immediate neighbours, because Chloe was as loud as anyone I had ever fucked before, her language in between yelping and screaming becoming increasingly colourful as she told me to "Fuck her hard" and "spunk in her hungry little cunt."

Well, despite everything I hung on for as long as I could, marvelling at the sight of her wonderful boobs as they bounced before my eyes, but eventually the sensation of her slippery little cunt round my cock proved too much for me, and within two or three minutes I grabbed her hips, bucked my hips even harder and shot what felt like a pint of my hot seed inside her.

She stayed sitting on me as we recovered our breaths and kissed. Then, finally, she lifted herself off me whilst pushing me back on the grass. I lay back and watched in wonder as she licked the shaft of my dick.

"I love tasting myself!" she said, which was enough to get me fully hard again. "Wow!" she added, "you really do have the stiffest erection..." before taking my bell end fully into her mouth.

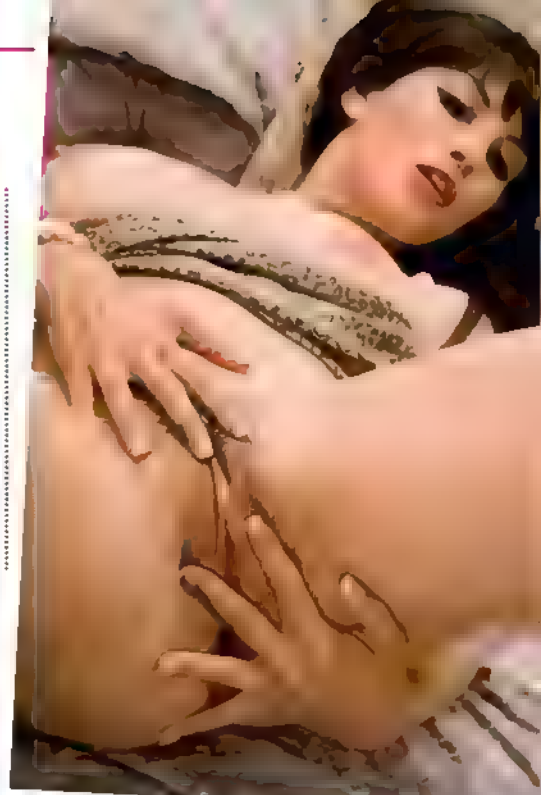

The thought of her tasting our combined juices on my dick was really getting me going, and although you could tell she may not be the most experienced girl, her enthusiasm to please had me soon ready to spunk again. I told Chloe I was going to come and she told me to hold it for a few seconds. Repositioning herself, with her arse cocked in the air, I couldn't believe my eyes as she spread her cheeks ready for my explosive tool. I plunged into her incredibly tight hole that gripped my dick like a vice, only managing a few strokes before my balls tightened and I unloaded in her arse spurt after spurt of spunk.

We lay in each others arms for a few minutes before I reached for our beers. We both stayed naked and sat chatting and drinking as the sun faded. After a while, she said she was beginning to feel chilly and she asked, "Is your shower big enough for two?"

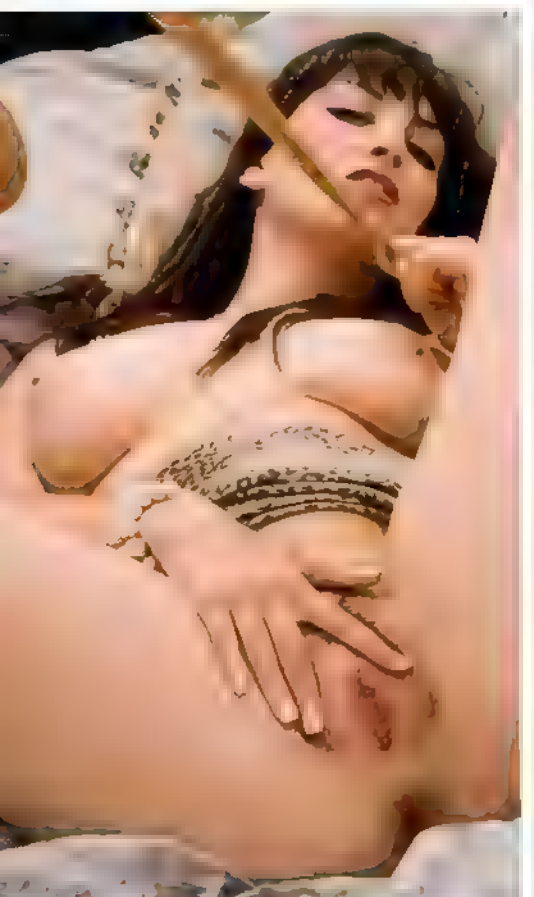

"It is," I said, leading her into the house and up to the bathroom. We showered together and I again had the chance to enjoy sucking her tits before we put some robes on and sat together in the bedroom before I set about spending the next hour kissing, nibbling, licking, biting and enjoying her wonderful body. She came twice more before falling asleep.

When she awoke I had made us some dinner and we shared some wine before falling back into bed for the night. I left her alone then – well at least until the morning when she woke to feel my erection again pushed against her and we started all over again.

Geoff, Harwich.

VIKKI

Vikki will make you accidentally overfill your wine glass, no mistake. With her tempting body and luscious hair, this saucy mare has had our tongues lolling out like a royal carpet. Although that would be one way to greet the queen of our little soldiers, it's probably not good manners. So instead we turn on the charm, which at times can be oafish, even alarming and clearly isn't working now. Vikki has the upper hand here, and she knows it. Alas, Vikki shall be confined to our dreams. ♀

What our well-placed moles are telling us this month...

# DOWN THE WIRE

## Weather Warning!

If the girl band B\*Witched taught us anything, it's that you can always 'Blame It On the Weatherman', or at least this wannabe. Johnny Mullins, 21, was enthralled by the attention he received via Facebook for his "Weather Outlook" videos but wanted to up the anti and his followers. Mullins admitted starting a wildfire in Lexington, Kentucky, to gain popularity for his weather reporting, but was subsequently arrested and charged with second-degree arson. Mullins' misguided attempt to gain popularity seems only to have worked after his arrest, with his last video "Dangerous Forest Fire Continues" gaining more than 5,000 views. Still, I can't imagine Yogi Berra would be too impressed with Mullins.

## Fiery Snack!

Who knew a little savoury snack could be so dangerous, but as it turns out Cheetos and other oily snacks work as accelerants. I wonder what the flaming hot version would do? Investigators in Taunton, Massachusetts, reported that Shemory Williams attempted to ignite his girlfriend's house in five different locations, with his victim still inside. Williams wedged a propane cylinder against the house and used a bag of Cheetos to accelerate the fire. According to Police Williams had destroyed her mobile

and cut what he thought were the brake cables under his victim's car as well. Williams was arrested 100-yards from the house, carrying lighters and a pack of Cheetos, he was charged with malicious destruction of property.

## Smear Campaign!

This ones a few nuts short of a jar. 32-year-old Christina Ferguson smeared Jif peanut butter on thirty cars; she believed belonged to Donald Trump supports. The vehicles owners were, in fact, members of the Tomorrow River Conservation Club, who were holding a Club meeting when the incident took place. Ferguson reportedly barged in on the

meeting banishing her spreadable weapon of choice and shouted at members about her hate of Trump. Ferguson complied with a request for her to leave the meeting, but it was only then members became concerned over the jar of nutty butter she had been carrying. Ferguson returned to a nearby apartment where she was questioned by deputies and denied leaving the house while licking the evidence off her fingers.
